GENERAL INFORMATION

Prices
Prices are subject to change without notice. Except where noted, all materials in this catalog are shown at the wholesale school price ("School Price"). Non-educational customers may obtain the list price by calling Customer Service at **800-462-6595.**

Sales Tax
Prices do not include sales tax. Applicable sales tax, if any, will be added to the invoice unless an appropriate tax exemption certificate has been furnished to Houghton Mifflin Harcourt.

Individual Orders
It is our policy to ship certain materials only to teachers, schools, school districts, and for home schooling. Individuals placing telephone orders may be asked to furnish a teaching certification via mail in order to ensure against students ordering teacher materials and to protect our customers. When ordering, include school address and position.

Transportation and Handling Costs
In general, F.O.B. shipping point (whether a HMH facility or a third party facility) is the least expensive method. Charges are prepaid and added to the invoice. F.O.B. destination is calculated by taking the wholesale school price and adding 10%. Please allow three weeks for normal delivery. Expedited delivery is available for an additional fee.

Terms
Accounts must be paid net 30 days. Purchasers who do not have accounts should include payment with the order, including shipping service fees (available from Customer Service at **800-462-6595**) and tax if applicable. A Tax Exempt Certificate must be received to apply tax exempt status to new accounts. Purchase order numbers are required if billing a Public School District.

Charge Orders
To charge your order on VISA, MasterCard, Diners Club, Discover Card, or American Express, include the name as it appears on the credit card, the credit card number, cardholder's zip code, expiration date of the card, and a daytime phone number. All credit card orders must be signed and include shipping service fees and applicable sales tax.

Purchasing Multiple Copies
For some software products, School offers convenient ways to purchase multiple copies of software. Check the price list section of the catalog to see which options are available for each software product.
1. Lab Pack or Multi-user licenses allow you to install and use the software on a number of stand-alone computers, one computer for each set of the media (CD-ROM or DVD-ROM) provided. Each Lab Pack includes one set of documentation and five or ten sets of media (CD-ROM or DVD-ROM).
2. Site Licenses are available on selected Holt McDougal software products. A Site License allows you to copy or install and use the software on an unlimited number of stand-alone computers within a single building. Site Licenses include one set of documentation and one set of media (CD-ROM or DVD-ROM).
3. Network Licenses are available on selected Holt McDougal software products. A Network License allows you to copy or install and use the software on a shared network server within a single building. Network Licenses include one set of documentation and one set of media (CD-ROM or DVD-ROM).

If you currently have a School software product and want to upgrade to a Site License, call **800-462-6595.** For more information on fee-based in-services for software products you purchase, please contact your regional Sales Support Center (see map on inside back cover).
